

Seal in Comfort

Up to 40% of a home's energy loss is due to air infiltration—exterior air penetrating cracks and crevices. In fact, an 8 MPH wind moving through the walls of a home is like leaving a window open all year round.

That's why our weatherization experts developed TOWER® Residential Sealant. Flexible, durable, airtight and water-resistant, TOWER Residential Sealant is specially formulated to help protect vulnerable wall crevices from the elements, helping increase energy efficiency and comfort in your home.

TOWER® Residential Sealant

AN INTEGRAL PART OF DUPONT™ TYVEK® WEATHERIZATION SYSTEMS

Approved for
Tyvek®
Weatherization Systems

Tyvek® is a trademark of affiliates of DuPont de Nemours, Inc. used under license by M-D Building Products, Inc.

Part of the Complete DuPont™ Tyvek® Weatherization Systems

TOWER® Residential Sealant is scientifically formulated to bond with DuPont™ Tyvek® Weatherization Systems, helping create a breathable, protective barrier to increase energy-efficiency; reduce heating and cooling costs; and help protect against water infiltration that could lead to formation of damaging mold and mildew in wall structures.

TOWER Residential Sealant forms a durable air & water resistant seal at critical points

EFFECTIVE IN A VARIETY OF APPLICATIONS:

- Window & Door Installation
- Window & Door Weather Sealing & Caulking
- Siding and Trim
- Expansion & Control Joints
- Concrete Panel Joints
- Stucco
- Hardboard Siding
- Flashing
- Exterior Insulation & Finish Systems (EIFS)
- Penetrations
- Flashing

EASY TO USE. EASY TO CLEAN.

- Greater than 800% elongation
- Mildew-resistant when cured
- Easy clean-up with water
- Paintable
- Excellent gunnability

Vacuum packed for maximum gun performance (no air bubbles)

Meets physical requirements of AAMA 808.3

Exceeds ASTM C-920 Class 25

VOC Compliant

Formulated for Maximum Protection:

TOWER Residential Sealant forms a flexible, durable, and watertight seal offering exceptional protection from environmental conditions. This proprietary technology reduces dirt pickup, eliminates yellowing and cleans easily with soap and water.

EXCELLENT ADHESION TO MOST SUBSTRATES:

- | | |
|-------------------------------------|-------------------------------------|
| • DuPont™ Tyvek® & other Housewraps | • Stucco |
| • Wood | • Flashing |
| • Glass | • Ceramic Tile |
| • Marble | • Masonry |
| • Vinyl | • Concrete |
| • Metal | • Many other construction materials |
| • Porcelain | |

Warranty

TOWER Residential Sealant comes backed by a limited lifetime warranty, protecting the homeowner's investment and the builder's reputation now and into the future.
